RE: ASL Services Holdings, LLC Notice of Involuntary, Unforeseen Service Interruption

Dear Ms. Dortch:

Pursuant to Section 64.606(h)(3) of the Commission's rules, 47 C.F.R. § 64.606(h)(3), ASL Services Holdings, LLC. ("ASL/Global VRS") hereby notifies the Commission's Consumer and Governmental Affairs Bureau of an involuntary, unforeseen service interruption due to circumstances beyond ASL/Global VRS' control on Thursday, June 27, 2013 between 8:12 PM and 10:05 PM Eastern Time.

Information received from the Company's platform provider indicates that the server and cluster nodes became unresponsive rendering the Company's platform incapable of processing calls. Services were immediately restored following access to the server and cluster nodes were made and the Company's platform provider is investigating the basis for the server/cluster node failure.

Notification of the service interruption has been provided on ASL/Global VRS' website, <http://globalvrs.com/globalvrs-service-updates/notification-of-vrs-outage/>. ASL/Global VRS has received no complaints or inquiries regarding this incident.

Questions may be directed to me at (916) 225-4944. Thank you for your attention to this matter.

Sincerely,

ASL Services Holdings, LLC

Jeremy M. Jack
Vice President of VRS Operations
